Mission Printing welcomes the help from these young people and their leaders. Thirty volunteers came to collate for 6 hours from the Churches of Christ in Conroe and Corsicana. Invite some from your congregation to make a date to come help us.

### Shipping News

Our shipment to Liberia/Sierra Leon arrived a few weeks back and the South Africa/Zambia container was cleared through Customs yesterday. The Ghana shipment will arrive in Ghana soon. We are now printing material for Ghana /Togo with Togo's material being in French is supplied by several different brotherhood publishers. It is scheduled to be shipped October 1. Our fifth container (number 56) for the 2024 year, will be for Cameroon/Chad. There is a new Bear Valley Preaching School in Chad (French language). Cameroon speaks English and French languages. We are making a strong effort to supply both languages to Cameroon/Chad with help from our fellow printers. Some of them in this effort are, WBS, Barry Baggott -

French Literature, Gospel Tracts Int'l., James McPeak (helps us with WBS in 5 different languages), and Truth for Today – Eddie Cloer.

The picture below shows our dependable loading crew, working in the heat loading the 35,000 pounds of soul saving material in about 2 hours every 2.5 months.

A sad note, Bro. Alvin Jennings passed away at 94, a few weeks after his wife. Alvin and I spent many days together, trimming tracts and repairing Bibles and songbooks. He worked with Mission Printing for the last 10 years of his life and taught me a lot about serving God and others.

God continues to bless Mission Printing with dedicated volunteers and faithful donors to do “World Evangelism by the Printed page”. Remember us in your prayers.
