

Serving God's Servants

TJI August, 2024 Report

Greetings from The Jenkins Institute. We pray that your summer is going well. Even though some of us are still enduring 100+ temps, the promise of fall can be felt in the mornings and late evenings. With the changing of each season and has changes occur around our world, we are reminded of the fact that we serve an unchanging God. We are grateful for His constant love and we are grateful for the constant love, encouragement, and support we receive from His people like you.

We had a very busy July working with preachers, leaders, and churches to encourage them in the work they are doing for our Lord. Our calendars have been filled with wonderful opportunities to proclaim the Good News. One of the highlights of the month was working together presenting Preacher Therapy for the Connect Conference at the Crieve Hall congregation in Nashville. We are thankful to our friend, Alan Stephens for inviting us to be a part of this outstanding program. We love Preacher Therapy and the blessing of interacting with many preachers.

During the month of July Dale preached for the Mt. Zion Church, the Fairlane Church, and the Rivergate Church all in Tennessee. He also preached for the Anchorage Church and the Sodatna Church in Alaska while working with the Spring Meadows Church at the Midnight Sun Camp. He also met with preachers in the state.

Jeff had the privilege of preaching for the Midway Church in Alabama (his first full-time work after graduating from FHU), the New Concord Church in Kentucky, and the Lomax Church in Tennessee. He also enjoyed preaching in a Gospel meeting for the Oak Grove Church in Alabama and speaking for the FaithBuilders Workshop in Tacoma, Washington.

In addition to being very close to completing next year's Daily Bible Study, we have also started working on the third book in a series for Senior Saints. Next year's book is entitled, "Hope for Senior Saints." These books are used by study groups in congregations around the country. It would make a great gift for parents, grandparents, and all other more mature members of your Church family.

This month's word of encouragement is for our friend Anthony Warnes who preaches for the great Westhill Church in Corsicana. "Jeff and Dale strive to remind the young preacher to serve the brethren, proclaim to the lost, and ultimately please the Lord. Beyond the "nuts and bolts" help that they provide, the individual encouragement and friendship that they give through text messages, emails, and face-to-face conversations will forever be cherished. Every young preacher needs a Jeff and Dale in their corner, and with the Jenkins Institute, they can!"
