

Serving God's Servants

TJI December, 2023 Report

Greetings from TJI. It is difficult to believe that we are nearing the end of another year. In this month's newsletter we want to remind you one more time about our latest books. We believe that our sixth annual study guide may be the best one we have published. "Meeting God's People," contains fifty-two authors who introduce to us some of God's great people found in Scripture. Many churches are already purchasing copies of this book for everyone in their congregation. You can purchase them in bulk for \$9 per book plus shipping. If you would like to order some you can do so through our website at www.thejenkinsinstitute.com. To order in bulk (20+) just send an email to us telling us how many you want and the shipping address. We will invoice you and they can still arrive as of today by Christmas.

We are also pleased to announce that the book, "Weekly Peace for Senior Saints," is also now available. This is our second book in this series written by senior ministers for senior saints. This book can also be ordered on our website and the cost is \$9 plus shipping when ordered in bulk.

We have also recently published a book written by Chad Ramsey the long time excellent preacher for the Gloster Street congregation in Tupelo, MS. Chad has written an outstanding book about how to have a successful Gospel meeting. If you would like a copy of this book please reach out to us.

As this year comes to a close, we want to express our deepest gratitude to you for your encouragement of our work this year. From time to time, church leaders ask us how they can help TJI. Here are **three** ways that any church or individual could help.

(1) Please pray for our efforts. This year we have preached or taught around 800 times. We have preached and helped preachers in eight foreign countries and thirty-two states. We have taught in six different schools of preaching. We have been blessed to host ten Grief Seminars. We have published five new books, hosted ten conferences or retreats, helped numerous elderships to find preachers, and worked with thousands of preachers. Next year will be an even busier year for us. We covet and appreciate greatly your prayers that we will seek to glorify God in every aspect of our work.

(2) Consider partnering with us in this work. Many of you serve congregations who support TJI financially. We could not do this work without you and we are deeply grateful for your support. We need more congregations and individuals who will support us on a monthly basis or make annual contributions to our work. We do not charge congregations for any of our programs. We rely upon congregations and individuals who support us financially to be able to do what we do. Whether you are currently supporting us or not, would you consider making an end of the year contribution to TJI. If you choose to do so, you can make a contribution online at https://crm.bloomerang.co/HostedDonation?ApiKey=pub_77b40392-b995-11eb-8a95-02bf22d030ab&WidgetId=60416, it's a simple site whether you set it up for one time or reoccurring donations or you may send your contributions to: The Jenkins Institute PO Box 260328 Flower Mound, TX 75027.

(3) Tell others about The Jenkins Institute. We want as many congregations as possible around the world to know that we are willing and ready to help. As we mentioned earlier, all our services are free to churches.

This month's word of commendation is from our friend, Michael Jackson. "The Jenkins Institute has been a special blessing in my life, providing information and support that isn't available anywhere else. Very few organizations meet their mission, as well as TJI, does in serving God's servants. I'm so very grateful for the work they do to support me and countless other ministers of the gospel."
