

Serving God's Servants

TJI December, 2024 Report

Merry Christmas from Jeff and Dale at The Jenkins Institute. We pray that you and your family will have a wonderful holiday season. Because this will be our last Newsletter for 2024, we want to express our deep gratitude to you for your prayers, your kind words of encouragement, and your support. It always thrills us to hear from the congregations and the individuals who partner with us in our work. We understand fully that we could not do this work without you.

We think of you often, and we are aware that it is congregations and individuals like you who make our work possible. During the month of November, once again we have been extremely busy meeting with preachers and congregations to assist them in their work. We have also been busy speaking at various places.

As this year comes to a close, we want to remind you one more time about our two latest books. "His Table," would make a great book to study in Bible classes, small groups, and family gatherings. If you haven't done so, we encourage you to consider purchasing one for every person in your church family. We are happy and thankful that in addition to the daily devotionals, there is a communion thought written by an elder in each of the 52 chapters.

We also believe that the latest book in our series designed especially for senior saints would be a great gift during the holiday season for someone you love. "Weekly Hope," follows "Weekly Peace" and "Weekly Joy." If you are interested in purchasing copies of either of these books, please reach out to us at tji@thejenkinsinstitute.com.

The month of November was very busy for us. Together we conducted a Better Conference that was hosted by the Summerdale Church in Alabama. We had a great group of preachers who were gathered for the "One-Day Better." If your congregation would like to host a Better Conference please feel free to reach out to us.

During November Dale preached for the Millview congregation in Franklin, TN, and the Center Chapel congregation in Mt. Juliet, TN. He also spoke for a Teacher's Workshop for the Zion Rest Church outside of Tupelo, MS. Dale taught a class each Thursday for the Nashville School of Preaching, and he recorded three more episodes of Minsters' & Mocha.

Jeff conducted "Beyond the Valley of Death Grief Seminars" for the West End Church in Tupelo, MS, the Summerdale Church in Alabama, and the Palm Street Church in Lonoke, AR. If you would like to host a Grief Seminar in your congregation, please feel free to reach out to us. He spoke for a Special Fall Wednesday Series for the Franklin Road Church in Tuscumbia, AL. Jeff taught classes during November for the West Freeway School of Evangelism and the Somerset West School of Preaching.

We are thankful that we are able to stay busy in helping preachers and churches around the world.

If we can ever be of help to you in any way, please feel free to contact us. Our email address is tji@thejenkinsinstitute.com. We love all of you and pray 2025 will be the best of years for you.
