If your congregation has never used one of these books we would encourage you consider providing them for every family in your home church, You can purchase them in bulk for \$9.00 per book plus shipping and handling. If you would like to order some you can do so through our website at www.thejenkinsinstitute.com (<http://www.thejenkinsinstitute.com>). If you would like to look one before ordering, we would be happy to provide you one free of charge.

We told you last month about our newest book written by Chad Ramsey the long time excellent preacher for the Gloster Street congregation in Tupelo, MS. Chad has written an outstanding book about how to have a successful Gospel meeting. If you would like a copy of this book please feel free to reach out to us. We have mailed books to more than 500 churches this year already.

Our year has already gotten off to a fast start. Dale emceed the Challenge Youth Conference in Dallas. Jeff spoke a number of times for the Florida School of Preaching Lectureship. While this report is being written we are in the country of Belize. We have met with several preachers and we both spoke for the Church in Belmopan on Sunday. Belize has a special place in our hearts because of the work our Dad did in the country over a span of more than forty years.

In just a few days we will gather with about 5000 of our closest friends at the Freed Hardeman Annual Lectureship. We will have a booth at this years lectureship. We would love to visit with you if you plan to be in the area. Thanks to the generous hearts of people like you, we will give away several ministry related books to preachers this year. We will also be conducting Preacher Therapy in Loyd Auditorium Tuesday-Thursday.

We have several Better Conferences and retreats scheduled for this year. Our first Better Conference will be hosted by the Buford, GA congregation at the end of February. If you would like to host one of these in your area, please feel free to reach out to us.

This month's word of commendation is from our friend, Stephen Kelly who is a minister for the church in Cathey's Creek, TN. "I appreciate Jeff & Dale Jenkins for many reasons. They are both humble servants in the Lord's Kingdom. I could describe many of their personal characteristics, but it is sufficient to say that they both demonstrate the fruit of Spirit daily. This could be said of many Kingdom workers. But what truly sets Jeff & Dale apart is their love and concern for preachers and the Church. The work that they do through the Jenkins Institute is such a blessing. Individual ministers benefit from TJI. Individual congregations benefit from TJI. The Church, as a whole, benefits from TJI."
