

Serving God's Servants

TJI May, 2024 Report

We hope this note finds you doing well. We continue to be extremely thankful for all you do to encourage the work we are endeavoring to do. There is no way that this work could be as effective without your prayers, words of encouragement, and financial support. Please know that we are ready to serve you and the congregation where you worship in any way that we can.

During April we hosted what has become one of our largest annual Better Preaching Conferences. We are thankful to Heritage Christian University for allowing us to use their facilities. Our friend, Kirk Brothers and his entire team did a great job. We also helped out with the Focal Point workshop in San Marcos, TX. Our friends Wayne Jones, Sam Dilbeck, and John Moore did an outstanding job planning and making this workshop such a great experience.

During April Dale taught a "Technology Tools & Tips for Ministry" Course for the Nashville School of Preaching. Dale also spoke for the Ministry League Experience in Atlanta, a Gospel meeting for the East Sparta Church in Ohio, a Gospel meeting for the Church in Prattville, AL, as well as preaching for the Church in Lexington, TN and the Lone Cedar Church in Florence.

Jeff presented the "Beyond the Valley of Death" Workshop for the Beltline Church in Decatur, AL. He also spoke for the Southeast Institute of Biblical Studies Lectureship in Knoxville, Herald of Truth's S.O.A.R. Seminar, the REVIVE HomeMission Workshop in Waxahachie, TX, as well as preaching for the Church in Flatwoods, AL, and the Waterview Church in Dallas.

During April we published our bi monthly Preaching & Ministry Journal. This issue dealt with Bi Vocational Ministry. If you would like to see a copy of The Journal just go to this link: <https://www.thejenkinsinstitute.com/on-preaching-ministry/2024/4/the-preaching-amp-ministry-journal-may-2024-bi-vocational-ministry>.

We are thankful that our Lord and His people keep us busy in His work. Again, if we can be of help to you in any way, please feel free to call on us.

This month's word of commendation comes from our friend, Michael Jackson. "The Jenkins Institute has been a special blessing in my life, providing information and support that isn't available anywhere else. Very few organizations meet their mission, as well as TJI, does in serving God's servants. I'm so very grateful for the work they do to support me and countless other ministers of the gospel."
