

Serving God's Servants

TJI November, 2024 Report

Greetings and Happy Thanksgiving from Jeff and Dale at The Jenkins Institute. As we gather with our families during this Thanksgiving season, and as we express our deep gratitude to our Father in Heaven, your encouragement, friendship, and support will certainly be a part of our thanks.

We think of you often, and we are aware that it is congregations and individuals like you who make our work possible. During the month of October, once again we have been extremely busy meeting with preachers and congregations to assist them in their work. We have also been busy speaking at various places.

We are thrilled to announce that our two latest books are now shipping. We would encourage every congregation to consider purchasing enough copies of our latest study guide, "His Table," for everyone in your church family. We are happy and thankful that there is a communion thought written by an elder, in each of the fifty two chapters. This book would make a great Bible study series and a great study for families as well as small group studies.

We also believe that the latest book in our series designed especially for senior saints would be a great gift during the holiday season for someone you love. If you are interested in purchasing copies of either of these books please reach out to us at tji@thejenkinsinstitute.com.

If we can be of help to you in any way, please feel free to contact us. We pray that you and your loved ones will have a wonderful Thanksgiving season.

During the month of October Dale preached a Gospel meeting at Smithville, TN., preached in Jacksonville, FL, spoke at the Faulkner University Lectures, and conducted a Church Growth and Health Workshop for the North Bradley congregation in Cleveland, TN.

Jeff preached in a cooperative Gospel meeting for the churches in the Van Buren, AR area and spoke for the Linder Road Spiritual Growth Lectureship. He also spoke for a Mission Sunday for the Northwest Church in Ft. Worth and for the White Rock Fund Day. Jeff also preached for a special Sunday and spoke for the Christ Over Cancer day for the Woodlawn Church in Florence.

Dale and Jeff were blessed to speak for the Annual Sojourners Camp in Marshall, TX. They also conducted a Sermon Planning Retreat for preachers in Kentucky. We are thankful that we are able to stay busy in helping preachers and churches around the world.
